You must supply a method to hang your quilt, a small TV tray type table, and any other needed supplies. Two (2) chairs will be provided for your use.

Reserved spaces will be labeled with the name of your guild. You will be issued two (2) passes that must be used by the members setting up your donation quilt. If you must have more than two (2) passes, please request them at the time of reservation. To keep the halls clear before the doors open, only two people will be allowed to stay in the hallway with the quilt. All others will need to go into the Auditorium until the doors open at 9:00 am.

You will receive email notification that your reservation has been received. **Please include a stamped self-addressed envelope with this form.** The envelope will be used to return your space assignment, passes and map of which door will be available for use. You may bring the form to any meeting.

Please indicate here if you need more than two passes \_\_\_\_\_

A reminder will be emailed several weeks before the July event.

**Please send the completed form no later than July 1 to:**
